

This is something  
I didn't do.

This is something  
I did.

This is someone  
I know.

This is somewhere  
I went.

This is important  
to me.

This means nothing  
to me.

in a way we've never seen  
him or her before.

This is me.

Sometimes touching,  
sometimes comic,  
sometimes baffling,  
but always interesting,  
"ME, an Autobiography"  
brings us

# ME
